

Record: Certificates of Qualification Issued between 2001/02 and 2020/21 (April to July)

The following table shows the number of Certificates of Qualification (CofQ) issued to apprentices and challengers in the Instrumentation and Control Technician (Industrial Instrument Mechanic), Industrial Electrician, and Construction Electrician trades between fiscal year 2001/02 and 2020/21 (April to July) and the percentages that had a single ticket and a dual ticket.

Trade	Total CofQs	Single Ticket	% Single Ticket	Dual Ticket*	% Dual Ticket*
Instrumentation and Control Technician (Industrial Instrument Mechanic)	623	533	86%	90	14%
Industrial Electrician	723	657	91%	20	3%
Construction Electrician	14,947	14,835	99%	66	0.4%

*Dual refers to individuals who were issued a CofQ for Instrumentation and Control Technician (Industrial Instrument Mechanic) and Industrial Electrician, or Instrumentation and Control Technician (Industrial Instrument Mechanic) and Construction Electrician. There were 4 individuals who were issued CofQs for all three trades.
