

## **INDUSTRY TRAINING AUTHORITY BYLAW**

**Bylaw:** Foundation Industry Training Programs

**Bylaw Number:** B1003

### **Definition:**

A Foundation Industry Training Program is one that has been approved by the Industry Training Authority Board of Directors and is consistent with the Industry Training Authority policy “Criteria for Approving Foundation Industry Training Programs”. These programs are focused primarily on knowledge of essential skills needed to gain entry into a particular occupation, include minimal employment based training, integrate with existing *Accredited* and *Recognized Industry Training Programs*, and successful completion results in the issuance of a *Certificate of Completion*.
