

Issued: February 2, 2016

Program: Construction Electrician

To: ITA Training Providers
Articulation Chair
System Liaison Person
School Districts

Subject: **Interprovincial Red Seal Exams and the 2015 Canadian Electrical Code Book**

RE: **OPSN 2016 001**

Effective Date: Immediately

Information: ITA has implemented updated versions of the Interprovincial Red Seal Exam which are compliant with either the 2012 or 2015 Canadian Electrical Code (CEC). These versions will be used for exam sittings scheduled up to March 31, 2016.

Effective April 1, 2016, the Canadian Electrical Code 2012 edition will no longer be used and all exams scheduled on or after this date will use the 2015 edition of the CEC. This change also applies to individuals who need re-write this exam.

IMPORTANT SCHEDULING INFORMATION Until April 1, 2016, when scheduling examination dates, Training Providers must indicate which edition of the Canadian Electrical Code will be required, 2012 or 2015. ITA will only send the requested edition to the scheduled sitting. Individuals are not permitted to bring their own code books to Interprovincial Red Seal Examinations.
