RE: REF: 2011 022
PROGRAM NAME CHANGE

Timing: Effective immediately

Information: Please be advised that, effective immediately, the program name Marine Repair Technician (MRT) has been changed to Marine Service Technician (MST).

The revised Program Profile is posted on ITA's website at www.itabc.ca.

Background:

TCDA, through the Marine Workforce Development Committee, made a recommendation to change the program name. Industry Training Authority (ITA) has reviewed and approved the program name change to Marine Service Technician. Marine Service Technician more accurately reflects the scope of the occupation – the recreational marine industry – and aligns with the name currently used in reference to the trade.
