

★ OFFICIAL PROGRAM STANDARDS NOTIFICATION ★

Issued: December 13, 2011

Program: SHEET METAL WORKER

To: ITA Training Providers
Construction Industry Training Organization (CITO)
All School Districts

RE: **Ref: 2011 026**
Update to Sheet Metal Worker Program

Timing: Immediate

Information: Please be advised that an updated standard for the Sheet Metal Worker program has been approved by the Industry Training Authority (ITA).

An updated program profile and program outline is posted on the ITA website at www.itabc.ca

Background

The Construction Industry Training Organization (CITO) has completed a review of the Sheet Metal Worker program. The program review has resulted in a clarification to the cross-program credits between Sheet Metal Worker and Architectural Sheet Metal Worker. The changes include:

- Holders of an Architectural Sheet Metal Worker CofQ will be granted 900 work-based training (WBT) hours towards a Sheet Metal Worker CofQ.
- Architectural Sheet Metal Workers who have completed Level 1 technical training will be granted Sheet Metal Worker Level 1 technical training upon registering as a Sheet Metal Worker apprentice.

There have been no changes to the content or assessment methodology for the program. Please refer to OPSN 2009-008 for the Assessment Guidelines for this program.
