Information: Effective January 1, 2013, the seven ITA crane programs are being updated with new Program Outline documents. The technical training content for Crane apprentices in BC is detailed in each of the ITA Program Outlines which is available online at www.itabc.ca. Industry, working with the BC Crane Safety Association has reviewed and recommended the updates to the Crane Program Outlines. Crane program examinations have also been reviewed and revised with minor modifications to ensure alignment with the revised standards.

Level Exam Requirements

Crane exams may be requested via the usual ITA procedure. ITA will administer and invigilate these exams and score and record exam results in ITA Direct Access. There is no blending of the final in-school mark with the results of the Level exam.

Certificate of Qualification Exam Requirements

Crane Certificate of Qualification exams may be requested via the usual ITA procedure. ITA will administer and invigilate these exams and score and record exam results in ITA Direct Access. Apprentices who do not pass a Certificate of Qualification exam (70% required) will be expected to re-write the exam in accordance with ITA policy.
