

Issued: September 16, 2014

**Programs:** **Motorcycle Mechanic (Motorcycle & Power Equipment Technician)**

**To:** ITA Training Providers  
ACE IT School Districts

**RE:** **AMENDMENT: OPSN 2014 018.1 LAUNCH OF ITA LEVEL EXAMINATIONS**

**Timing:** Effective October 1, 2014

**Background** **Reference OPSN 2013-023 issued September 10, 2014**  
An error occurred in the OPSN 2014 018 which was issued on 10<sup>th</sup> September 2014.

**Information** Further to the OPSN 2014 018 that was issued on September 10<sup>th</sup> 2014, ITA would like to clarify that the date for launch of the ITA level exams for MPET applies to all classes **beginning after 1<sup>st</sup> October 2014** and not all classes beginning after 31<sup>st</sup> December 2014 as previously stated. This means that the new process for blending of marks (as detailed in the OPSN 2014 018) should apply to all subsequent writes of the ITA Level Exams in MPET for all levels – 1,2,3 and 4.  
With apologies for any confusion caused.
