To qualify to challenge certification in this trade or be granted authority to supervise and sign-off on apprentices in this trade, individuals must have:

- worked a minimum of 8,790 hours performing the tasks listed in Section E, and
- experience performing at least 70% of the job tasks listed in Section E

A Statutory Declaration of Work Experience is used to declare work experience for periods during which you were self-employed or a previous employer is unavailable to complete an Employer Declaration. Please note that unless your work experience hours were gained through self-employment, Certification Challenge and Supervision and Sign-Off Authority applications will not be accepted if they are only accompanied by a Statutory Declaration. Non-self-employed applicants must provide an Employer Declaration from at least one employer who can verify work experience. For more information, see **Instructions for Certification Challenge or Supervision and Sign-off Authority**.

D. Reason for Statutory Declaration

Indicate why a Statutory Declaration is required for this period of employment:							
	Applicant was self-employed		☐ Employer will not complete Employer Declaration				
	Employer is no longer in business	longer in business Employment records are not available					
Applicants must attempt to contact current or previous employers to request an Employer Declaration. If you have been unable to obtain an Employer Declaration for any portion of your non-self-employed work experience, indicate the steps you have taken to try to obtain it. If sufficient evidence of steps taken is not provided, the application may not be approved.							
E. Statutory Declaration of Job Task Performance By checking "Yes" or "No" in the Declaration Response column, indicate whether or not you have performed the job tasks listed below. Cross out any job tasks you did not perform during the period indicated in Section C.
